

Camera/Editor – Winnipeg

APTN has a career opportunity for an experienced individual who will be responsible for all day-to-day production operations of APTN National News & Current Affair including shooting and editing.

Key Responsibilities:

- Operates a camcorder, cameras, and related camera and broadcasting equipment, including newsgathering, shooting of interviews, b-roll, stand ups, stock footage, and sequences etc.;
- Operates linear and non-linear editing systems and logs, and digitizes material prior to the edit session;
- Organizes material including audio, video, music, graphics titles, effects, clips, bins and sequences within the editing system;
- Provides technical support for APTN and/or events programming as required (including the shooting of vignettes, PSA's, weather, and promotional material);
- Completes rough and final edits, and outputs the final product to tape, disc or shared storage system.
- Conducts live and live-to-tape double-ender interviews from studio or remote locations;
- Performs required dubs to and from all APTN formats;
- Works closely with Broadcast Technologists on technical, maintenance and repair issues;
- Re-edits or reformats stories for use on the web as required;
- Incorporates internet based video and web-based formats for editing as required;
- May work with the Video-Journalist(s) or Journalist(s) on story development / finalizing;
- Works closely in collaboration with other team members;
- Travel and shift work may be required.

Requirements:

- Diploma or certificate in a relevant discipline and three to five years related experience or equivalent combination of education and experience;
- Experience with news line-up script writing software, such as I News, is an asset;
- Broadcast experience would be an asset;
- Knowledge of basic Excel, Internet software, e-mail, and broadcast industry technology;
- Knowledge of French and/or at least one Aboriginal language would be an asset;
- Valid Driver's License required with abstract.
