

Ever wanted to work in the mountains?

If you are looking for your “chance” to get a full time radio job, then look no further! Mountain Radio in the Crowsnest Pass has an opening and is on the hunt for our next budding superstar.

As you know, smaller markets are the perfect place to learn and grow. This position is a “hybrid” position. The first half of your day will include a variety of behind the scenes duties including reception and traffic. The afternoon portion is where you get to shine on the air with a live drive spot from 2p-6p.

Mountain Radio is based in Blairmore, Alberta but broadcasts on 3 different frequencies throughout “The Pass”. Mountain Radio consists of 92.7 in Pincher Creek, 94.9 in Blairmore, and 1340 in Elkford.

Not only are we looking for a dynamic new employee, but we are also looking for someone who wants to be part of these amazing communities. If this sounds like you, send your stuff in now!

Deadline for applicants is Tuesday January 31st, 2012
