## BROADCAST TECHNICIAN PRINCE GEORGE, BC

The Jim Pattison Broadcast Group has an opening for a Broadcast Technician in its Prince George operations.

The successful applicant will ideally have 2 - 5 years in the Broadcast business and a graduate of a recognized Electronics / Broadcast Technology program.

We're looking for a hard-working self-starter who is a good team player and anxious to move forward with Western Canada's largest private broadcaster.

He or she will have a good working knowledge of the industry, particularly in television. Obviously skills in radio, RF and IT are important as well.

We have an excellent salary and benefit structure, and are looking for someone to grow with us as we continue to grow our group.
